LATIN

SECTION II

Total Time—2 hours

Reading period—15 minutes

Writing period—1 hour and 45 minutes

Percent of total score—50

**Directions:** This portion of the exam consists of five free-response questions. The table below indicates the page on which each question **FIRST** appears.

Question 1 . . . . . page 3

Question 2 . . . . . page 4

Question 3 . . . . . page 5

Question 4 . . . . . page 6

Question 5 . . . . . page 7

Begin your answer to each question on the lined right-hand page that immediately follows the **FIRST** appearance of the question. **Do not write any part of your answer on the left-hand page that contains the question.** Your answers to Questions 3, 4, and 5 may extend more than one page. Each of these questions is therefore repeated several times on successive left-hand pages so that you can see the question while you continue to write your answer to it on successive right-hand pages.

Be sure that you answer ALL FIVE of the questions. It is your responsibility to convince the reader that you are drawing conclusions or support from the Latin text and not from a general recall of the passage.
