AP[®] MUSIC THEORY
2016 SCORING GUIDELINES

Moderato **Question S1**

The image shows a single staff of music in bass clef with a key signature of one sharp (F#) and a common time signature (C). The tempo marking 'Moderato' is positioned above the first measure. The title 'Question S1' is centered above the staff. The melody consists of the following notes in sequence: D2, E2, F#2, G2, A2, B2, A2, G2, F#2, E2, D2. The notes are marked with a slur over the entire phrase. The first four notes (D, E, F#, G) are quarter notes, and the remaining seven notes (A, B, A, G, F#, E, D) are eighth notes. The piece concludes with a double bar line.

0–9 points

Use EITHER the regular scoring guide OR an alternate scoring guide, whichever gives the higher score.

I. Regular Scoring Guide

- A.** Score 1 point for each segment (i.e., each half-measure) correct in pitch, rhythm, and tempo (0–8).
- B.** If at least one segment is correct using **I.A.**, add 1 point for a complete response that has no hesitations or restarts (= overall flow; the “flow” point).
- C.** Record any score of 4 or higher and move to the next MP3 file/tape.
- D.** If the score is less than 4, try an alternate scoring guide.

II. Alternate Scoring Guides (N.B.: Do *NOT* award the “flow” point in the alternate scoring guide.)

- A.** If a student sings many of the pitches correctly but is consistently inaccurate in rhythm, you may determine holistically to award up to 4 points for pitch.
OR
- B.** If a student is accurate or nearly accurate with respect to rhythm but is consistently inaccurate in pitches, you may determine holistically to award up to 2 points for rhythm.

III. Scores with Additional Meaning

- 1** This score may be given to a response that has two or more redeeming qualities (e.g., retention of the tonic pitch and singing the melody with a correct contour; persistence alone is *not* a redeeming quality).
- 0** This score is used for a response that has no redeeming qualities (or only one) or a response that is off-topic or irrelevant.
- NR** (MP3s) NR is used for blank responses (including spoken AP number but no response).
- (Cassettes) The dash is used for blank responses (including spoken AP number but no response).

Scoring Notes:

- A.** If a student restarts, score the last *complete* response, but do *not* award the “flow” point.
- B.** Score from the tonic established by the student. However, credit any exactly transposed segment approached by the correct interval. In other words, *any segment entered correctly (by the correct interval) is eligible for the point.*
- C.** The last note may be eligible for the point if the student returns to the original tonic, even if the preceding segments have been transposed, and the original tonic is not approached correctly.
- D.** If the student changes tempo and continues in the new tempo, do not credit the segment where the change occurs, but credit the ensuing segments.
- E.** The last note must be held at least to the attack of the final eighth note of measure four for that segment to receive credit.
- F.** Ignore any use (correct or incorrect) of syllables, letter names, or numbers, as well as expletives, giggles, and the like.
- G.** If you try both regular and alternate guides, record the higher of the scores.
- H.** Scores from one guide may *not* be combined with those of another.
- I.** Listen beyond the end of the performance to ensure that the student made no additional response.
