## BECOME A FULLY FUNDED TEST CENTER!

### WHAT IS A FULLY FUNDED TEST CENTER?

DANTES currently funds the \$80 CLEP® exam fee for all eligible military service members, eligible spouses, and civil service employees at all CLEP test centers. At fully funded test centers, DANTES, through the CLEP program, also funds an administrative fee for those eligible test-takers. Test centers that participate in the Fully Funded Test Center Initiative agree to forgo the administrative fee and receive a \$25 reimbursement for each eligible test-taker.

For more information on DANTES eligibility, visit [clep.collegeboard.org/military](https://clep.collegeboard.org/military) to access the DANTES Eligibility Chart.

The College Board's College-Level Examination Program® (CLEP) has been the most widely trusted credit-by-examination program for over 40 years, accepted by 2,900 colleges and universities, and administered in more than 1,900 test centers. CLEP is proud of its long-standing relationship with the Defense Activity for Non-Traditional Education Support (DANTES) to offer CLEP exams to military service members, their spouses, and civil service employees.
