Foundation**

DonorsChoose.org is teaming up with the College Board and Innovate Foundation to offer funding for the classroom materials needed to maximize your AP Calculus BC course. Using DonorsChoose.org, you can select the exact materials you need from our vendors.

When creating your project, you'll shop through our 24 vendors to find materials that will make your AP class a success. The suggestions below (and in the attached technology supply list) are based on recommendations from the College Board and previous requests by AP teachers on DonorsChoose.org. Please visit [our site](#) to view additional AP project ideas. Enter a keyword such as "AP Calculus" or "math" to search projects.

sample project request

"Since we don't have AP Calculus text books, my students will be at a disadvantage in that they will not have a good resource for practice problems. Just like the ACT or SAT, practicing problems like the ones on the actual exam is a vital part of good preparation. With these materials, we will have a good supply of practice problems."

- Ms. Mangum, Louisiana
