

AP®

California 2024 AP® School Honor Roll Recognition

The AP School Honor Roll recognizes schools whose AP programs are delivering results for students while broadening access.

The AP School Honor Roll, which replaces the previous AP District Honor Roll, offers schools recognition across four levels of distinction: Bronze, Silver, Gold, and Platinum. Schools on the AP School Honor Roll may also earn the AP Access Award, honoring schools that demonstrate a clear and effective commitment to equitable access to advanced coursework.

For a school to be recognized on the AP School Honor Roll, it must be located within the United States (including U.S. territories) or Canada and:

- Meet each of the following criteria anchored in research-based relationships between AP and college outcomes:
 - ♦ **College Culture:** 40% or more of graduating cohort took at least 1 AP Exam during high school.
 - ♦ **College Credit:** 25% or more of the graduating cohort scored a 3 or higher on at least 1 AP Exam during high school.
 - ♦ **College Optimization:** 2% or more of the graduating cohort took 5 or more AP Exams during high school. At least 1 of those exams was taken in 9th or 10th grade, so that students are spreading their AP experience across grades rather than feeling disproportionate pressure in any single year.
- Have full-time grade-12 enrollments. AP coordinators can update this information online in [AP Registration and Ordering](#).

As of October 2024, in California

Of 1,571 qualifying schools, 48% earned a place on the 2024 AP School Honor Roll.¹

AP SCHOOL HONOR ROLL AWARD	PERCENT OF QUALIFYING CALIFORNIA SCHOOLS	PERCENT OF ALL QUALIFYING SCHOOLS: US AND CANADA
 Platinum	10%	7%
 Gold	11%	7%
 Silver	15%	10%
 Bronze	13%	9%

In addition, **55%** of schools on the Honor Roll earned the **AP Access Award**.

Overview of AP School Honor Roll Recipients

The average percentage of the 2024 graduating cohort who met criteria:

CRITERIA MET	AVERAGE ACROSS ALL QUALIFYING CALIFORNIA SCHOOLS	AVERAGE ACROSS ALL QUALIFYING SCHOOLS: US AND CANADA
Took at least 1 AP Exam	52%	43%
Scored 3+ on at least 1 AP Exam	35%	27%
Took 5+ AP Exams, at least 1 in 9th or 10th grade	12%	8%

Schools can see AP School Honor Roll status in [AP Score Reports for Educators](#).

Recognized schools will have access to download a custom celebration kit.

There is no annual application process for schools to be considered for recognition.

AP gives students opportunity to engage with college-level work, to earn college credit and placement, and to potentially boost their grade point averages. The schools that have earned this distinction are proof that it is possible to expand access to these college-level courses and still drive strong performance—they represent the best of AP.”

— TREVOR PACKER
SENIOR VICE PRESIDENT
AP & INSTRUCTION

¹ Note that schools had the choice to “opt-out” of being publicly recognized on the AP School Honor Roll and/or AP Access Award, so some schools who met the award requirements may not be included in these percentages.
