

OFFICIAL SAT PRACTICE
STUDENT AMBASSADOR PROGRAM

Welcome

Our Student Ambassadors are interested in developing their college readiness and leadership qualities by motivating and empowering their peers to *own* their futures. The goal of the program is to amplify student voices in the mission to increase the number of students who are ready for college.

AMBASSADOR RESPONSIBILITIES

All Student Ambassadors must speak at 3–4 events:

Your voice matters! Work with your teacher to identify school assemblies, events, classes, parent nights, faculty meetings, or other events to talk about the power of practice. You may also speak with the press, if requested.

ADDITIONAL AMBASSADOR OPPORTUNITIES
COULD INCLUDE:

- **Practice, Practice, Practice:** Use the Practice Tests Guide to organize a schoolwide **SAT practice test**.
- **Better Together:** Set up **study groups** to help your classmates create a study plan and stick with it!
- **Teamwork Makes the Dreamwork:** Create a Khan Café; organized time in the computer lab for students to sign into Official SAT® Practice on Khan Academy®; recruit students/teachers to be tutors.
- **Say It Loud:** Speak about the importance of the SAT, Official SAT Practice, and going to college at:
 - ♦ Teacher faculty meetings
 - ♦ School board meetings
 - ♦ Meetings at the school district
 - ♦ Parent nights
 - ♦ Middle schools that feed into the high school
 - ♦ After-school organization/libraries in your community
 - ♦ Local/regional/national conferences
- **Online Time:** Run a social media/advertising campaign to increase knowledge about SAT practice.
- **Lead the Way:** Mentor new Student Ambassadors (for returning Ambassadors).
- **Bright Ideas:** Create your own event!
- **Keep It Up:** Enhance these ideas:
 - ♦ Example: Become the official spokesperson for Official SAT Practice in your community, and take your show on the road. Go to libraries, YMCAs, and other community hot spots.
 - ♦ Example: Did you set up two study groups and find success? Build on it. How can you bring it to more students? Can you set up two more? Can you set up five more? Can you build schoolwide momentum and create a schoolwide system for student study groups?
