

PSAT AND SAT

Every Student Counts, Every School Matters

Why PSAT & SAT Opportunities Matter

Access for All Students

Free, in-school testing removes financial and logistical barriers, ensuring all students have **equitable access to college entrance opportunities**. Every student has the opportunity to demonstrate their knowledge and potential in a **supportive environment**.

College & Career Readiness

The PSAT and SAT assess critical skills in Reading & Writing and Math. These assessments help students understand readiness for postsecondary success while **building confidence** through the PSAT → SAT pathway.

Real Opportunities for the Future

The SAT is accepted by **all U.S. colleges and universities**. Students can send scores to up to four colleges **for free** and **access scholarship** and recruitment opportunities through [Connections](#).

Actionable Insights

Students receive **personalized feedback** highlighting strengths and areas for growth. Educators can use data from the [K-12 Reporting Portal](#) to **guide instruction**, while [Skills Insight](#) supports **identifying and closing learning gaps**.

Free Tools & Resources

Students can use [BigFuture](#) to **track scores**, **explore careers**, and **plan for college**. By opting in, students may also become **eligible for scholarships up to \$40,000**.

Stronger Schools & Systems

PSAT and SAT School Day testing provides **reliable statewide data** on student performance, helping schools and districts improve instruction, align curriculum, and **better support all learners**.

What Families Can Expect

- Schools will administer the PSAT and SAT during the spring testing window of April 13-24, 2026.
- Scores available:
 - May 14 via the [BigFuture app](#) or Student [College Board account](#)
- Receive scores that can be used for college admission, placement, and meeting a [graduation requirement](#) (470 Reading & Writing/480 Math)
