

Printing Test Tickets

Test Day Toolkit Updates: Printing sign-in tickets

To print sign-in tickets for Student Readiness Check and for Test Day, SACs will be able to print student sign-in tickets 1, 2, or 4 per page.

Note: Test tickets are not considered secure test material and should be given to the students after the readiness check to keep for practice. A fresh set of test tickets should be prepped for test day.

The screenshot shows the 'Test Day Toolkit' web application. The top navigation bar includes links for Home, Help, All Rooms, Staff, All Students, Downloads (which is the active tab), and Irregularities. The 'Downloads' section is highlighted, and within it, the 'Print Tickets' sub-tab is selected. Below the sub-tabs, a message states: 'Students need sign-in tickets to use the Bluebook™ testing app. They'll use them:'. This is followed by a bulleted list: 'On test day, to start testing.' and 'Before test day, to participate in the digital readiness check and to preview Bluebook on their own.' Below this is the 'Sort Options' section, which has two radio buttons: 'Sort tickets by room (includes a cover sheet for each proctor). Last accessed by Admin, CHOIBOY37 on Sep 22, 2023 7:20 PM' (which is selected) and 'Sort tickets alphabetically. Last accessed by Admin, CBURKES2018 on Apr 24, 2024 11:47 AM'. The 'Layout Options' section features a dropdown menu currently set to '4 tickets per page'. The dropdown menu is open, showing three options: '1 ticket per page', '2 tickets per page', and '4 tickets per page' (which is highlighted in blue).
